The proposal of the Deputy Commissioner, Mysore, involves a transfer of officials from the executive to the ministerial service. Further Y.S. suspended for 21 days on 18th April 1938, and K. Lakshminarayana, though a qualified candidate, is described as suspicious by nature, lazy and untrustworthy, etc., vide pages 6 and 7 of the Character Book.

In view of the above, the proposal need not be sanctioned. The two candidates referred to above should apply when applications are called for, for class II and III and take their chance. I see no reason why they should be absorbed in preference to the approved list candidates.

To

Additional Secretary to Government of
His Highness the Maharaja of Mysore,

Sir,

I have the honour to state that the marginally*noted two officials who are permanent bill collectors of Krishnarajanagar and Hunsur town Municipalities have put in a service of 13 and 6 years respectively in the local bodies and have gained good experience of Municipal Rules and Regulations and will be more useful as clerks in the Local Bodies than in the Executive Line where much knowledge of rules and regulations may not be of any value and recruits appointed under Rules will be quite capable of discharging the duties as Bill Collectors than as Municipal Clerks, and there have been much complaints from the Municipalities for want of experienced clerks. I would therefore request you kindly to obtain sanction of Government for absorption of these bill collectors as clerks in any of the Municipalities in the district, as an identical case with that of S.F. Govinda Bois, permanent Bill Collector, exempted for being absorbed as clerk in letter No.Ll. dated 24-9-44 of the Secretary to Government, Law Department, Bangalore. The vacancies of Bill Collectors released will be filled up as per rules after advertisement. The service registers of the officials concerned are enclosed.
